## Minutes of the IQAC meeting dated: 12/06/2020

### Agenda for the meeting:

1. Confirmation of the Minutes of the previous meeting.
2. Online teaching
3. Online exam
4. Any other matter with the permission of chairperson.

### Minutes of the meeting:

1. The minutes of the previous meeting were readout and confirmed.
2. Online Teaching: fears were expressed regarding whether all students would have access to the online platform for financial reasons or even for reasons like having gone to their native place in the vacations /lockdown and not having access to the internet due to connectivity issues. Google Classroom was suggested as one of the platforms which could be used for assisting the teaching learning process in a bigger way than before as offline teaching may soon become the norm. The principal said that if online teaching has to be organised for our students training would be given to the teachers for use of the online platform chosen by the college and all faculty would be registered as official users and classes can then be organised by creating links for their lectures. Plan for provisional accreditation was proposed and discussed.
3. The Vice Principal said that the college will have to explore possibilities various software's for conducting the online examination and train the students in the use of that software. Multiple choice questions were suggested as a tool to prepare students for the examination. Students could be given quizzes where by students are able to test their knowledge find faculty would get feedback on the performance of students our college being the cluster in charge college that is the lead college, we would take the initiative to make arrangements for how exactly the exams in our cluster would be organised. A technical team should be set up to assist students in the difficulties they faced when answering online examinations
4. No other issue was raised by chairperson.
5. The Meeting ended with the vote of thanks.

5. Appreciation of work done during lockdown
6. Any other matter with the permission of chairperson.

### Minutes of the meeting:

1. The minutes of the previous meeting were readout and confirmed.
2. Online Teaching: Online teaching was successful in conducting online theory classes. But certain issues were raised by some members about attendance of the students and record of attendance. So it was decided that take help from Mastersoft company will be taken to make this online teaching successful. A plan for online practical was also decided. Making understand using online videos and certain website meant for practical.
3. Online exam is planned to be taken using google form. Teachers were made acquainted with the google form exam and monitoring online. A technical team should be set up to assist students in the difficulties they faced when answering online examinations.
4. Faculty are often confused about idea of mentoring. Inputs by experts would help faculty to clarify their concepts and be better mentors. The IQAC coordinator said that we would invite an expert regarding this to guide our faculty.
5. The Principal informed all that college will be closed due to Covid19 pandemic till the next circular from the university. All the faculty members have to train themselves for online teaching. The Principal appreciated the initiatives taken by faculty regarding online teaching. It was strongly felt that faculty should keep updating their skills for online teaching by participating in webinars and practicing. It was appreciated that the blocks to online teaching are gradually being overcome by faculty who were initially worried about lack of skills of online teaching.
6. No other issue was raised by chairperson.
7. The Meeting ended with the vote of thanks.
